

REMARKS

By this amendment claims 3, 4, 5, and 9 have been amended and claims 8 and 10 have been withdrawn.

Applicants have elected species as required by the Examiner under 35 U.S.C. 121. Formula III in claim 3 has been elected. Accordingly, Applicants have elected a single group representing "X" in amended claim 4, a substituent group representing "Ar" in amended claim 5, and a single variable "L" in amended claim 9.

Upon allowance of the base claim, it is believed that all withdrawn claims should be reinstated and all withdrawn claims and dependent claims should be allowed.

Applicants believe they have complied with the election. If the Examiner has questions regarding the election, Applicants' attorney would appreciate a telephone call.

Respectfully submitted,

\Raymond L. Owens\
